About

us

Mokarran Dive Charters is a PADI 5 Star dive centre, situated inside Rocky Bay Resorts with self-catering log cabins and a private walkway onto the beach – offering you a hassle-free diving destination. Situated on the south coast of Kwa Zulu Natal, surrounded by indigenous bush, right at the beach, a great spot to escape the hustle and bustle and get back to nature.

Our dive centre is a short stroll from your cabin, the beach and the boat launch site. Rocky Bay launch site is a controlled launch site, making this one of the best launches along the KZN coast.

We offer guided boat ride/snorkeling trips, scuba diving and PADI Dive Courses.

Rocky Bay

Rocky Bay is great for divers and for any family members who do not dive as there is an on-site swimming pool, restaurant, beach shop with take-aways, kid's jungle gym & trampoline, biking/running/walking trails. The resort has a private wooden walkway to the beach and with a good swimming area and rockpools to explore it is perfect for non-divers to enjoy while the divers are out to sea.

An easy drive from Johannesburg, just 1 hour south of Durban and conveniently situated between the coastal towns of Scottburgh and Pennington, there are shops, restaurants, and other local attractions to enjoy if you want to venture out in the afternoons. Or just enjoy drinks and a burger or south coast "Bunny Chow" curry at the ski boat club on the beach or a good old braai at your self-catering cabin.

Boat Rides/Snorkeling

Experience the thrill of going out to sea on a fun boat ride, a great adventure for both adults and kids. Snorkel in the open ocean with your guide or just enjoy the view from the boat, it's up to you!

We head out to sea from our controlled launch site at Rocky Bay and travel along the coast for an epic Ocean Experience, we like to think of it as a "Game Drive Out to Sea". If the visibility is good hop in and snorkel above the coral reef with your guide who will point out various fish life as you swim along together. Weather and sea condition dependent, minimum 4 people, maximum 10 people per boat. Duration: approximately 1.5 hours

Dive Planning

Kit up at the dive centre and load gear on boats, dive briefing, short walk on the beach to the launch site.

We typically plan for 2 dives per day and can either return to the beach between dives or do double tank dives, depending on how many people are diving and which reefs we are travelling to. (If weather & sea conditions allow and we have requests for more dives per day, we can discuss at time of booking)

After diving a short walk back to the dive centre to de-kit, shower and then you have the rest of the day to go for lunch and enjoy the beach or explore the area. Dive times and plans will be confirmed at time of booking. If you are not staying with us at Rocky Bay please bring your own towels and toiletries as there are ablutions available to shower after the dives.
